# How to add the USACE Lakes IMS Server to your GIS Server list in ArcCatalog

## 1. In ArcCatalog, click on GIS Servers.
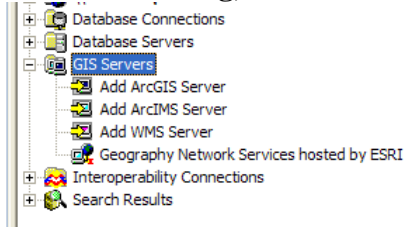

## 2. Double-Click on "Add ArcIMS Server"
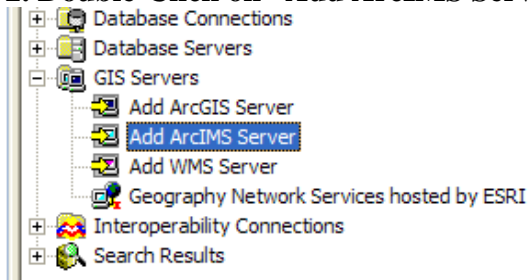

## 3. URL of Server:  http://saw-egis.saw.usace.army.mil
**Click on the radio button for "Just the following service(s)", next click "Get List", then check the box beside which lake data you are interested in, and click OK.**
